Return to Shareholders

Basic policy regarding profit distribution

The company utilizes retained earnings for future growth and to maximize corporate value. Our basic policy is to return profits to our shareholders as appropriate, conducting dividend payouts targeting 30%, depending on fiscal period earnings.*2

*1 Dividends per share

^{*1:} Since we adopted the unit share system in October 2013 and executed a 100-for-1 stock split for our common stock, past dividends were adjusted assuming the stock split had already been conducted.

We also executed a 2-for-1 stock split in April 2016. Dividends prior to the fiscal year ended March 31, 2016 have been adjusted retroactively in consideration of the impact of this stock split.

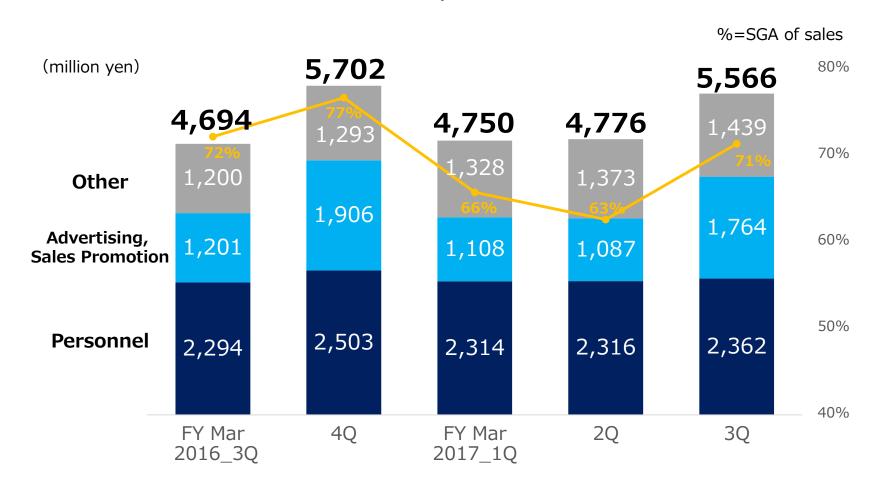

^{*2:} Net income attributable to owners of the parent.
