The image shows a library reservation system interface. At the top, there is a book record for "山崎峯次郎物語 マンガふるさとの偉人 カレーの夢を追って". Below it, there are fields for "利用者ID" (User ID) and "パスワード" (Password). A dropdown menu for "受取館" (Pickup Location) is open, showing "中央公民館" (Chuo Bunka Kan) and "多世代交流学習館" (Todai Seigai Kyōikukan). A red box highlights the "受取館" dropdown. A callout bubble points to the "中央公民館" option with the instruction: "▼をクリックし、「中央公民館」「多世代交流学習館」を選択してください。" (Click ▼ to select 'Central Community Hall' or 'Multi-generational Exchange Learning Center'). At the bottom, a green button labeled "予約申込" (Reservation Application) is shown, with a note below it stating "利用者IDとパスワードを入力して、[予約] 賃出できる状態になりました" (Enter your User ID and Password, and the [Reservation] button has become available).

※ 「受取館設定」をすれば、一冊ずつ受取館を選択する必要はありません。

Below the search bar are two green buttons: "貸出/予約状況" and "利用者QRコード". To the right are "パスワード変更" and a red-bordered "受取館設定" button. A black arrow points from the "受取館設定" button down to a modal window.

The main content area has sections for "貸出状況" (Borrowing Status) and "予約状況" (Reservation Status). Each section has a green button labeled "過去の履歴はこちら".

A large black arrow points from the "受取館設定" button in the header down to the "受取館設定" button inside the modal window. The modal window also contains a dropdown menu set to "中央公民館" and a "受取館設定" button.

At the top right of the modal window is a link "貸出状況 / 予約状況へ戻る".
