Annual membership fees are 8,000 yen for Full Membership, 5,000 yen for Student Membership, and 20,000 yen for Associate Membership. The membership fee includes a subscription to the annual *Shakespeare Studies* (in English) and *Shakespeare Journal* (in Japanese). There is an annual conference of the Society which all members may attend without paying an extra fee. Annual subscriptions to *Shakespeare Studies* alone cost 2,000 yen for individuals and 5,000 yen for institutions. Overseas subscribers should add postage charges to the annual rates (Asia: 700 yen, rest of the world: 800 yen). Overseas members/subscribers to *Shakespeare Studies* are requested to send the relevant fees by International Money Order in Japanese yen, or pay by Post Office Giro (00140-8-33142), to The Shakespeare Society of Japan. Guidelines for the submission of papers to *Shakespeare Studies* can be found on our website (<https://www.s-sj.org/>).
