TANAKA Kikinzoku Kogyo K.K.

TANAKA Denshi Kogyo K.K.

**TANAKA Electronics Singapore Pte. Ltd. reported to
the Personal Data Protection Commission Singapore
regarding possible information leakage
due to unauthorized access**

TANAKA Electronics Singapore Pte. Ltd. (TES), an overseas subsidiary of TANAKA Denshi Kogyo K.K., which manufactures materials for electronic components of TANAKA Kikinzoku Kogyo K.K., reported to the Personal Data Protection Commission (PDPC) Singapore that its system had an unauthorized access and employees' personal information was extracted and leaked.

After discovering the unauthorized access, TES has taken measures such as shutting down the network and has been investigating the damage situation. However, since it was discovered that the personal information of the company's employees was leaked, the report was submitted to the PDPC in accordance with Singapore domestic laws.

The unauthorized access was limited to TES, and there was no damage or impact to other companies in TANAKA Precious Metals.

TANAKA takes this incident very seriously and will take measures. TANAKA settles a new firewall to prevent such an incident from happening again and strive to further strengthen our information management system.
