Editorial Policy

Starting from the current fiscal year, the Isetan Mitsukoshi Group is issuing the Integrated Report, with the aim of having all of its stakeholders, including its shareholders and investors, understand the story of its value creation, in which the Group continues to grow sustainably by taking advantage of its universal values and strengths. This Report has been compiled by integrating the previous Annual Report and CSR Report and referring to materials including the Guidance for Collaborative Value Creation that was announced by the Ministry of Economy, Trade and Industry. We will issue this Report every year, refining it to make it a constructive tool for dialogues with all stakeholders.
