<p>People's Hope Japan (Myanmar)</p>	<p><b>Conduct training and monitor the skills for all midwives (83 people) and assistant midwives (55 people) in Lewe Township of Nay Pyi Taw Union Territory</b></p> <p>KPI : •One-time skill monitoring using the assessment sheet</p> <ul style="list-style-type: none"> <li>• One-time training (a 3-5 day training program), in cooperation with the local health authorities</li> </ul> <p>By synergy with the above and other measures (enhancement of knowledge and improvement of health behaviors of pregnant women, recognition of danger signs and prompt action to receive medical treatment, and development and proper allocation of volunteers that connect residents and health facilities) promoted by the NPO, we aim to enable mothers and children to use appropriate health services (pregnancy checkup, delivery assistance by medical staff, in-home delivery, and postpartum checkup).</p>	<p>Skill monitoring for midwives and assistant midwives</p> <p>Skill monitoring was conducted for all midwives (80 people) and assistant midwives (41 people). The staff of the health authorities and the regional health centers acted as an instructor of the skill monitoring and confirmed the skills of each midwife regarding maternity checkups, delivery assistance, and newborn infant care, based on assessment sheets. The results confirmed that midwives need to strengthen efforts to improve their knowledge and skills of delivery assistance, and assistant midwives need to strengthen their efforts to improve their knowledge and skills of maternity checkups.</p> <p>Training for midwives and assistant midwives</p> <p>The training was scheduled to be held in February and March 2021, but it has been suspended due to a sudden change of the situation in Myanmar since February 2021. Safety of local staff and business personnel is the top priority, and the training will be provided in FY2021, as soon as the environment is prepared</p> <p>*Some midwives and assistant midwives take maternity leave, etc, and the number of trainees has been changed from the originally planned number.</p>
