

Editorial Policy

The Tokyo Gas Group CSR Report describes how we perceive society's expectations and the challenges we face, and how we pursue CSR activities across the LNG value chain, which forms the core of our business.

Compiled as a compact yet comprehensive resource, it provides an overview of the Tokyo Gas Group's initiatives for a broad range of stakeholders. Details of our initiatives are available on our corporate website, which offers expanded search functions.

Our main initiatives in fiscal 2017 have been categorized and presented in this report under the six Key CSR Activities.

● Approach to CSR Disclosure

● Period

This report contains material primarily from fiscal 2017 (April 1, 2017 to March 31, 2018), with some additional information from other fiscal years.

● Scope

Tokyo Gas Co., Ltd. and its subsidiaries. Tokyo Gas LIFEVAL and partner companies are also included in some sections. Environmental performance data for fiscal 2017 are for Tokyo Gas and its 46 consolidated subsidiaries in Japan.

● Date of Publication

November 2018 (The previous report was published in November 2017. The next report is scheduled for November 2019.)

● Referenced Guidelines

GRI "Sustainability Reporting Standards 2016"
 Ministry of the Environment of Japan "Environmental Reporting Guidelines (2012 Version)"
 Japanese Standards Association "ISO 26000: 2010"

● Supplementary Information on Descriptions Used in the Report

Company names and positions are as of the time of writing.

● Third-party Assurance

Content that has been third-party assured is indicated by a "Third-party Assured" symbol.
