

## **Notice of Postponement of Tourism EXPO Japan (TEJ) Tokyo Business Meetings / Travel Festa in Tokyo.**

The “Tourism Expo Japan (TEJ) 2020 Tokyo Business Meetings/Travel Festa” which was scheduled to be held from September 10 (Thursday) to September 12 (Saturday), 2020 has been postponed to **January 7(Thursday) - January 9 (Saturday), 2021** due to the effects of the ongoing COVID-19 pandemic. Although repeated discussions were carried out in preparation for holding the event in September, due to issues such as the implications of running the event during the COVID-19 pandemic, the restrictions on entry into Japan from various countries and regions, and the restrictions on activities following entry, the event has been postponed until January 2021.

The global COVID-19 pandemic has had a tremendous impact on the tourism industry worldwide. As the current situation forces numerous events to be canceled or postponed, we consider the Tourism EXPO Japan an opportunity for tourism industry personnel in Japan as well as other countries and regions to recover, and we hope this event will invigorate both Japan and the world as a whole through the power of travel, helping to restore tourism demand as soon as possible. The postponed event schedule is as follows.
